

TAKE A WALK IN THE PARK

Saturday, June 16/12 - 11:00 am

Meet at the Post Office at Yonge & Montgomery

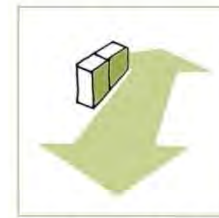

See What Can Be...

Ways to nurture a greener, healthier natural environment

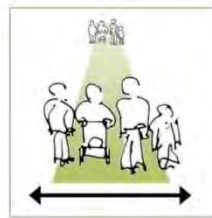

Ways to improve our evenings' enjoyment with effective lighting

Ways to push aside obstructions and so find more people space

...to improve and interconnect our park places and open spaces

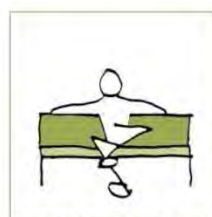

...to widen footpaths to accommodate people comfortably

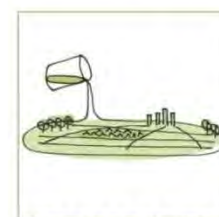

...and to provide for - rather than - put up with canine 'pmail'.

...to transform our streets into parks and people spaces.

...to provide furniture so that we may pause and enjoy the moment.
