

## Our Plan Toronto: Invitation to Participate

The City of Toronto is updating the Official Plan for Toronto 2051. The Official Plan is a city planning document that acts as Toronto's road map for land use and development. It sets out a long-term vision, shared values, and policies that help guide decision-making on land development, economic growth, the environment and more. If you need a refresher on Our Plan Toronto please visit the Project [webpage](#), where you will also find engagement summaries highlighting what we heard through previous Phases in 2021.

### Draft Official Plan Policies, Future Directions, Major Transit Station Areas (MTSA)

On April 27, 2022, the Planning and Housing Committee considered Draft Official Plan Employment policies and Chapter 1 Directions. ### Join the conversation and provide your input

As we move into the next phase of engagement, we would like to invite you to upcoming virtual events: Area specific public meetings, city-wide Open House, and policy themed meetings. City staff will present the draft policies and overall policy directions prior to writing their Final Report to the Planning and Housing Committee on July 5, 2022.
